**ENTRY AND ORDER FROM INITIAL PRETRIAL CONFERENCE**

The Parties, by counsel, appeared for an Initial Pretrial Conference on June 10, 2025, with Magistrate Judge Kellie M. Barr. The Case Management Plan submitted in this case is **APPROVED** as amended and will be entered as a separate order.

Counsel did raise a discovery issue at the IPTC, as they indicated they would in the "Other Matters" section of the proposed case management plan. The Court discussed that issue with counsel and **ORDERED** that they continue to meet and confer. The Court did indicate they need **not** request another discovery conference pursuant to Local Rule 37-1 on that specific issue before filing a discovery motion related to it, if appropriate.

This matter is set for a Telephonic Status Conference on **August 26, 2025, at 10:00 a.m. (Eastern)**, with Magistrate Judge Kellie M. Barr. The Court will contact counsel through the Court's electronic filing system with the call-in information to be used to participate in the conference.

**SO ORDERED.**
